Trust the name you know for

Corporate and UCC Services

UCC PLUS Search

Features a unique Dual Index Search which examines both NJ State UCC records, as well as our current proprietary database.

Corporate Status Report

Provides the critical information you need about a corporate entity, such as the legal name, date of formation, registered agent, registered office and status (active, dissolved, revoked, etc.).

Good Standing Certificate

Provides conclusive evidence from the state that the company is active, and all reports and taxes are current within two years.

Franchise Tax Report

Need to know if tax has been paid by a business to the state for the right to conduct business? You can find out with our Franchise Tax Report in both New Jersey and Pennsylvania.
